

ARVIND YADAV

AI/ML Engineer

Uttar Pradesh India | yadavarvind@gmail.com [Mob-](#) | 9621663506

SUMMARY

Passionate AI/ML Engineer with experience in building intelligent systems and data-driven web apps. Skilled in Python, Machine Learning, Cyber Security, Deep Learning, and Data Analysis. Experienced in developing ML models. A quick learner with strong problem-solving skills and a passion for data-driven decision-making."

PROFESSIONAL SKILLS

Data Cleaning & Preprocessing
Statistical Analysis
Team Collaboration
Data Visualization
Problem Solving

TECHNICAL SKILLS

Python , Pandas, NumPy ,Scikit-learn, TensorFlow
Matplotlib, Cyber Security,MS Word,Power Point,
Power Bi,Tally, Excel, HTML, CSS, JS
Machine Learning, Deep Learning, NLP
Data Visualization , Streamlit, APIs

PROJECTS

1. Personal Portfolio Website

- Developed responsive single – page portfolio with modern design
- Built with Next.js , HTML and Tailwind CSS featuring dynamic project sections and contact integration.
- Created project gallery, skills section and contact form • Optimized for performance and cross-browser compatibility
- Used git for version control and deployed on vercel.

2. Career AI – AI Career Guidance System

- Created an AI-powered career recommendation system to guide students toward suitable job paths.
- Utilized NLP and machine learning algorithms to analyze user interests and suggest personalized career options.
- Designed front-end using HTML, CSS, JavaScript.

EXPERIENCE

AI Intern-(Academic Role)

1st Aug 2025-30th Aug 2025

Project: Credit Scoring Website

- Developed an ML-based web app to predict a user's creditworthiness.
- Used Python, Scikit-Learn, Pandas, Matplotlib for data preprocessing and model training.
- Built an interface using Flask/Streamlit to take user input and show prediction results.
- Implemented data visualization for insights on key credit factors.

EDUCATION

High School Examination (English Medium)

July 2021

- BMS Memorial Public School Bailo Bazar GKP - Completed High School Pass mark 77%	
Intermediate (12th) Examination (English Medium)	2023
- Ram Jatan Yadav Inter Collage Bhathat Bazar,GKP - Completed Intermediate Pass by 64%	
Bachelor of Technology in Computer Science(AI &ML)	Sep 2023- Present
- Buddha Institute of Technology (B.I.T), Gorakhpur - Completed academic coursework in Artificial Intelligence, Machine Learning, and Data Science.	
Other Certificate	
ADCA	2022
Selling Skill	June 2023
Foundation of CyberSecurity	Feb 2025
NIELIT Course	

ADDITIONAL INFORMATION

Languages: English, Hindi.

Certifications & Awards: Cyber Security (Coursera),AI & ML certification.
